

# Ferris JH Reminders

*A few new policies and a few old ones to remind you about:*

- No red or blue on **anything**, including backpacks and shoes (not even “just a little bit”)
- No logos on shirts
- No skin-tight pants
- No sagging
- Shirts must be tucked in at all times
- Belts must be a solid color and can be white, black, khaki, or brown
- Blue bottoms are no longer acceptable; only black or khaki.
- Students will not be issued a textbook. Teachers will keep a class set of books in the classroom. Students can check one out to bring home for the night.
- **We will no longer have summer school for students who do not pass their regular school year classes. It will only be offered to students who have not passed their TAKS tests and need some remediation.**
- We only have a 3 minute passing period.
- Students can only go to their locker at designated times.
- Students are not allowed to carry backpacks to class
- Within the first few weeks of school, our students will have ID badges made and will be required to wear them daily. If they do not have them, they will be required to purchase a new one.

*We have had several students who have been out of compliance. Most have been warned, some changed clothes, and some had parents that helped correct the situation. Regardless of your situation, this is everyone’s final warning that students who remain noncompliant next week will be going to ISS. We have bent over backwards this first week of school and we will no longer allow these issues to slide by. If you have any questions please call 972-544-2279*
